

# BF16V\_230V // milling machine

## highlights

- cross table
- dovetail guided cross table and gear, adjustable via gibs
- rotateable gear head enlarges use of application
- three lever wheel for drilling operation
- high quality cross table with scale
- ideal machine for schools, precision mechanic and DIY users

**Included in delivery:** drill chuck 3-13mm, toolings, draw bar M12

# 899,00

# BF16V\_230V // milling machine

## technical details

motor power s1 in W	350
milling adapter	MK3/MT3
milling spindle speed in min-1	0-2500
max. milling diameter in mm	30 mm
max. distance spindle-table in mm	100-280mm
travel Y-axis in mm	100
gross weight in kg	68
packaging height in mm	700
packaging length in mm	540

voltage	230V
drilling spindle collet	3-13mm
T-slots in mm	12
head swivel	-45° +45°
travel X-axis in mm	220
travel Z-axis in mm	180
net weight in kg	50
packaging width in mm	500
EAN code	9120058372162
