

# BT75\_230V // belt and disc sander

## highlights

- versatile
- diecast aluminum housing
- the sanding belt is characterized by its constant speed
- swiveling grinding table for different grinding angles
- equipped with a powerful induction motor
- angle stop included

**99,00**

# BT75\_230V // belt and disc sander

## technical details

motor power s1 in W	250
total dimensions in mm	350x380x300
grinding disc speed in min-1	2950
sanding belt table size	128x128
belt speed	7
sound pressure level in dB(A)	82
gross weight in kg	8,400
packaging width in mm	325
EAN code	9120058372834

voltage	230V / 50Hz
table size in mm	190x125
grinding disc diameter in mm	Ø125
belt dimensions in mm	25x760
sound power level in dB(A)	93
net weight in kg	7,500
packaging height in mm	300
packaging length in mm	420
