

FKS305VF3200_400V * // panel saw

highlights

- massive profi alu sliding table and extra long outrigger enables to handle big workpieces -
- perfect for cutting heavy large boards and plates
- equiped scoring unit powered by a separate motor
- compact control panel located at machine frontside for operation convenience
- smoothly running saw blade height and angle adjustment via hand wheel
- analog read out of saw blade adjustment (height and tilt)
- two different cutting speeds as standard
- high quality and stable machine body
- table extensions enable convenient working conditions
- double roller carriage aluminium sliding table with
- hardened steel guides,
- results in smooth running and highest precision
- heavy machine with massive, rugged but precise
- construction for max. cutting accuracy
- very accurate and solid rip fence with fine adjustment function
- extractable and solid mitre fence (1600-3150) at outrigger table incl. 2 end stops
- max. cutting width at parallel fence 1150mm

4.699,00

FKS305VF3200_400V * // panel saw

technical details

motor power s1 in W	5500	motor power s6 in W	7700
voltage	400V	outrigger table in mm	1110x610
sliding table in mm	3200x375	suction port in mm	100
table height in mm	850	table extension in mm	500x505 / 790x505
table size in mm	980x550	max. cutting width at parallel fence in mm	1150
max. cutting height 45° in mm	55	max. trimming in mm	3450
max. cutting height 90° in mm	80	sawblade speed in min-1	4500/5500
scoring sawblade in mm	Ø120	sawblade in mm	305
scoring unit speed in min-1	8000	scoring unit motor power in W	750/1050
sawblade swivel	0°-45°	gross weight in kg	700
net weight in kg	590	packaging length in mm	2.150
packaging width in mm	1.050	packaging height in mm	980
EAN code	9120039903859
