A horizontal form with a black border. It contains three white input fields of varying widths. The top right corner of the form has a small white triangle. Below the input fields, there are three small black dots. The form is set against a background of a complex, repeating geometric pattern of overlapping circles and lines.

A horizontal form with a black border, identical in structure to the one above. It contains three white input fields. The top right corner has a small white triangle. Below the input fields, there are three small black dots. The form is set against the same complex geometric pattern background.

A horizontal form with a black border, identical in structure to the ones above. It contains three white input fields. The top right corner has a small white triangle. Below the input fields, there are three small black dots. The form is set against the same complex geometric pattern background.
